WINDOW COVERINGS

20mm DUETTE® Sheer Translucent Fabric

features and benefits

Fabric Specifications

20mm pleats. 100% polyester warp knit, printed or dyed. Sheer, coloured face and backing.

Energy Efficiency

DUETTE® Shades provide superior insulation and energy efficiency to regulate temperature and minimise heating and cooling loads.

Design Flexibility

DUETTE® Shades are available in a range of different sizes to suit commercial applications and can be manufactured to fit special window shapes.

Light Filtering

All colours in the range allow light to filter through the fabric providing a low level of privacy factor.

8 Colours

A range of neutrals & great new season designer colours.

UV Resistant

65% UV blockage.
